Welcome to David and Phyllis Arnold who joined our church Sunday. The Arnold's have been regular visitors to our church and decided to join the flock! Welcome Phyllis and David.

Did you lose your bracelet last Sunday in the sanctuary? If so, it is in the Business Managers office.

The men and women of our Living Last Supper performance. A HUGE thank you for your dedication and work.

The Wisdom Pattern

By Richard Rohr

A universal pattern can be found in all societies and in fact in all of creation. We see it in the seasons of the year, the stories of Scripture, and even in our own lives.

In *The Wisdom Pattern*, Father Richard Rohr illuminates the way understanding and embracing this pattern can give us hope in difficult times and the courage to push through messiness – and even great chaos – to find a new way of being in the world.

A new version of his earlier book *Hope Against Darkness*, Father Rohr offers reflections in *The Wisdom Pattern* that bring together a deep spirituality with Jungian psychology. They have been thoroughly updated for today's world, and reveal a vision of Christianity that speaks to the heart of twenty-first century society.

The Wisdom Pattern is a book for anyone looking to understand better the patterns in the world around us, and seeking hope for a divided and turbulent world. It will leave you with a vision for moving forward with faith and courage, as well as renewed empathy and compassion for those around you.
